### **Indoor Recess**

- Parent was concerned that the school did not have the proper copy rights to be showing the movies to the students during indoor recess.

- All the videos that the library or school buys have public performance rights. The school only shows videos bought by the school.

### **Eating on the bus**

- Son was given candy on the bus. He thought it was an M&M but it was a Reese Pieces and the boy is allergic to peanuts. She was contacted by a student on the bus not the bus monitor or school.
- Son was okay but concerned that children can eat on the bus and the bus monitor did not know that her son had an allergy.
- We are inviting Gary Somebody to the next meeting to address these concerns.

***The next meeting will be Thursday, April 5th at 3PM***
