Old Business

- **By-Laws**
 - We would like to add a purpose specific to Naples Elementary to our by-laws
 - The purpose would state; ***The purpose of NES SAC is to facilitate communication and the free flow of information between the parents and teachers in order to support the vision of the Naples Elementary school. The School Advisory Committee provides parents, faculty, staff, students and community members an opportunity to participate in the development of educational priorities, assessment of school's needs, and identification of local resources.***
- **Goals and Objectives for 2011-2012**
 - Keep information regarding SAC in la Delfina
 - Address concerns in quality assurance survey
 - Help to get parents involved in the parent survey
 - Communicate using Facebook .
- **Orientation**
 - Teachers are working on a plan.
 - They would like a posted time teachers will be at the block party.
 - They are also looking into having the school open so children can walk to their classroom door to know where to go on the first day.
 - This is still a work in progress but everyone is working to make the situation beneficial to all parties involved.

NEW BUSINESS

- **Days of School**
 - DoDDS school calendar lists 183 days of school. NES has 5 days off from school not listed on the DoDDS Eurpoe calendar. So that would make 178 days of school for NES.
 - Ms. Morgan stated that she would look into this issue. She did not have a calendar in front of her to review at the meeting.
- **Master Calendar**
 - Why is the master calendar changing?
 - Parents plan day trips around calendar. Many parents were not informed about the change in date for the honor roll assembly. They missed their child's achievement.
 - There were visitors at the school, so the time of the assemblies had to be changed.
 - The calendar does state that it is subject to change.

The next meeting will be Thursday, January 5th at 3PM
