**4th Grade STEM Night
December 11th at 5:00**

Parent Coffees

During the school year, the administration will be having “Parent Coffees”. These will occur approximately every month. These are by invitation from our principal, Mr. Beane, and focus on one grade level at a time. She requests names of parents from teachers. The next coffee will be in December and focus on third grade. If you are interested in attending a Parent Coffee, please let your child’s teacher know or contact the administration at 629-4037. We look for-

Nurse News

INFLUENZA VACCINE 2012-2013

Please bring in 2012-2013 Seasonal Influenza documentation card to the Nurse's Office by December 10, 2012. Delinquent immunization letters will be mailed starting 11 December for those students without proof of receiving influenza. If the student requires a medical or religious waiver for the vaccine please contact the Nurse's office.

Misa Ewing
School Nurse

Parents,

Please update your contact information for each of your students attending Naples Elementary. It is vitally important we have the correct and up-to-date phone numbers for both parents when attempting to call from the nurse's office. In addition, please update any Emergency Contact information as well, especially if the person(s) have PCS'd or changed phone numbers. Students are only allowed to leave with the people listed on the Emergency Contact area (other than parents). Submit the attached contact form to the front desk. The contact form is on the following page.

Thank you,
Misa Ewing

Naples Elementary

Continuous School Improvement Goals

Naples Elementary School will foster a safe and nurturing environment that provides rigorous learning opportunities to empower all students to become independent, creative, problem-solvers who demonstrate exemplary character in a global society.

Goal One: SMART Goal 1: *By June 2014, all students at Naples Elementary School will improve in reading comprehension as demonstrated through increased proficiency in system-wide and locally administered assessments.*

Strategy: Connections to text taught through Guided Reading and Guided Discussions

SMART Goal 2: *By June 2014, all students at Naples Elementary School will improve their understanding of math number sense and operational concepts demonstrated by increased proficiency in system-wide and locally administered assessments.*

Strategy: Connections from the concrete to the abstract using math manipulatives/visual representations.
