# From the Nurse

Parents are reminded that students should not come to school if they have the following conditions:

Temp over 100

Vomiting

Diarrhea

Please allow your child 24 hours to recover from illnesses before sending them to school. Children should be symptom free for 24 hours without the use of medications.

Please remember to update your contact information with the front office and your homeroom teacher. In an emergency it is important that we be able to get in touch with you quickly.

The Health Office continues to be available. Please contact us 629-4058 should you have any questions or concerns regarding your student's health.

Kathryn Nelson, RN

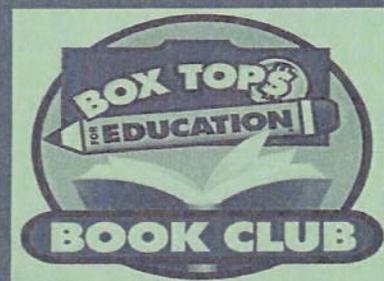

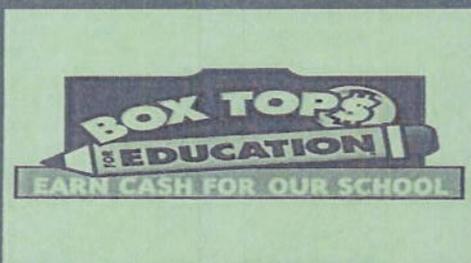

## Helpful Hints

Parent picking up the children at the end of the day, please remember to stand behind the barriers. This will allow the teachers to safely keep track of the students during dismissal and get them to where they need to go. This is especially helpful at the end of the Kindergarten wing where we have several grades exiting the building.

Please remember parents are always welcome in the school. In order to provide optimum safety for all children and staff, we request all parents and visitors' sign in at the front office. Upon leaving the school please sign out, as the school must have a record of people in the buildings at all times in the event of an emergency.

*Keep turning in all your Box Tops. Currently we have over 900 Box Tops. There is a drop box by the school entrance, Commissary and NEX. Or simply fill a baggie and send it in to your child(s) teacher with their name and classroom. Two reasons to collect and turn in Box Tops:*

- 1. You help us earn FREE money.*
- 2. For every 50 Box Tops turned in, you receive a FREE BOOK.*

Continuous School Improvement Goals

Goal One: By June 2012, all students will improve in reading comprehension skills through increase proficiency in vocabulary development and application in word usage toward synthesis of information in a variety of context across the curriculum, as measured by the selected system-wide and school-based assessments.

Goal Two: By June 2012, all students will improve in writing, by demonstrating the ability to apply organization to specific purpose, audience and context, in all curricular areas as measured by system-wide and school-based assessments.

# Your Invited

Dear Families,

As many of you already know, one of the goals for our Continuous School Improvement Plan, CSI, is to improve *Reading Comprehension Across the Curriculum*. One area NES is focusing on is to enhance comprehension with a school-wide emphasis on vocabulary development in all curricular areas. We want to engage students in activities that are meaningful, educational, fun and promote our SIP goals. One way we have chosen to do this is with a vocabulary hat parade on Thursday, October 14<sup>th</sup> at 1:15.

We are asking families to work together to create hats that show off your child's astonishing vocabularies. Examples could be as simple as a paper hat with the word "Recycle" on it, a hat covered in sponges and the word "Absorbent" or a hat covered in flowers and the word "Florid". Be creative, have fun, and celebrate learning by participating in this unique learning experience. Who knows you may even learn a new word or two yourselves.

Students must bring their **completed** vocabulary hat by Tuesday, October 12<sup>th</sup>. Please note this is **not** a costume parade, students will only be allowed to wear their vocabulary hats for the parade.

Have Fun!!!!
