Continuous School Improvement Goals

Goal One: By June 2012, all students will improve in reading comprehension skills through increase proficiency in vocabulary development and application in word usage toward synthesis of information in a variety of context across the curriculum, as measured by the selected system-wide and school-based assessments.

Goal Two: By June 2012, all students will improve in writing, by demonstrating the ability to apply organization to specific purpose, audience and context, in all curricular areas as measured by system-wide and school-based assessments.
